

A GOOD READ...

MELBOURNE RANKED NUMBER 1 CITY FOR STUDENTS IN AUSTRALIA

Melbourne ranked number 1 city for students in Australia and climbed another position to rank 5th in the world following the release of QS best student city rankings 2023. In "The QS Best Student Cities Ranking 2023" Melbourne moves one rank up beating Sydney, Brisbane, and Adelaide. Placing Melbourne at

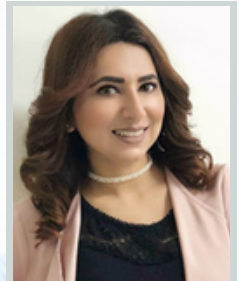

- Ranked 1 in Australia for "Best Student City"
- Ranked 3 in the world for "Student Voice"
- Ranked 5 in the world for "Best Student City"

Currently, more than 85,000 international students reside in Melbourne, and the biggest cohort of these international students are from India, making up 22% of all international students followed by Nepal, Vietnam, and China. Studying as an international student is a privilege

but there are a set of challenges such as language barrier, homesickness, financial difficulties, and cultural shock. Moreover, to deal with such situations all they need is ears who can listen to their problems. Following the same, ASLI always encourages all staff to focus on student support. The first week of August 2022, some of our staff & students had morning tea to know more about their experiences in Australia. ASLI staff is always available to provide any kind of support to international students if required. Building such strong connections with our students will not only increase their involvement but also improve their academic performance and promote lifelong learning at ASLI.

We here at ASLI will continue to support our students when required. For any support or questions please contact us at sso@asli.vic.edu.au
